May 11: Dressage Equitation

General

This is a group class, offered to English and Western Dressage riders. Ridden in a standard dressage arena. The riders will be asked to perform at a walk, trot, and canter. Extra movements are not requested except where the judge feels the need for added input from the rider. The rider's position and seat will be judged along with the correct use and effect of the aids. The rider's position will be judged as it relates to the horse's balance, i.e., a rider with a classical hunt seat position would be acceptable at Training Level but not at Third Level. Riders competing in two Divisions will ride in the equitation class of the highest level only (only one equitation class). The class will offer three sections: Junior, Adult Amateur, and Open, and will be placed 1st-6th. The top rider from each of the three splits will then ride in the Championship split, with the class to run a final time to receive final placings, and at which time the prize money is to be awarded.

In the event that less than two competitors enter each section the class will be run as one division.

Results will be posted, however, riders will not receive a hard copy of their "test" because it is a group class. After results have been posted, riders may view comments they received from the judges on the group score sheets located at the Secretary Office.
