JUDGING MUSICAL FREESTYLE

ABOVE THE LEVEL / FORBIDDEN MOVEMENTS: Movements “above the level” are penalized by a four point deduction from the total for Technical Correctness for each illegal movement, but not for each recurrence of the same movement.

HALT AND SALUTE: At the beginning and end of a Freestyle test, a halt with a salute is compulsory. The halt must be executed facing “C.” The halts and transitions are judged.

MAXIMUM AND MINIMUM TIME LIMITS: The WDAA Musical Freestyle has a maximum time limit for each level stated on the test score sheet. There is no minimum time. Timing and judging commence when the horse moves off after the entry salute and ceases at the final salute. No bell is sounded at the end of the time limit. Movements executed after the time limit are not scored.

TIME OF ENTRY: The rider must enter the arena or signal the sound engineer within 45 seconds of the entry bell, or a deduction of ten (10) points will be taken off total for Artistic Merit. The rider must enter the arena within twenty (20) seconds of the start of the music, or may be eliminated at the discretion of the judge.

TIME LIMIT DEDUCTIONS: One (1) point is deducted from the total for Artistic Merit for exceeding the time limit. There is no minimum time, or specified deduction.

POINTS (Full, Half, Tenths): Judges marks for Technical Correctness must be given in half-points or full points. Artistic Impression may be given in one-tenth (0.1) increments.

MUSIC: If music fails during a Freestyle Test, the rider may leave the arena with permission of the judge at ‘C.’ The rider may decide whether to restart the test from the beginning or to commence from the point where the music failed. Judging restarts at the point of interruption. The marks already given do not change.

JUDGES: Western Dressage Freestyles are judged by USEF and USDF judges. If two or more judges officiate in a class, each judge will have a score for Technical Correctness and Artistic Merit.

RECOMMENDED SCHEDULING TIME: It is recommended that each ride is actually scheduled for nine (9) to ten (10) minutes to accommodate both ride time and allow the Judge ample time for comments.
